

## **MISSION STATEMENT**

**The Medicine Hat Pickleball Club will grow the sport of Pickleball and inspire healthier communities by connecting people to Pickleball in the City of Medicine Hat and surrounding areas.**

## **PURPOSE**

The purpose of the Medicine Hat Pickleball Club is to promote and advance the sport of pickleball in the City of Medicine Hat and the surrounding areas, while also providing opportunities to maintain the emotional, physical and mental wellness of our members. This purpose is achieved through social networking activities, club play, adult learn to play sessions, school lessons, youth programming, skills and drills, clinics with pros, mentoring, family bring-a-friend events, training coaches to coach, training referees to referee, at local, regional, provincial and national tournaments. We also work collaboratively with other community organizations for the overall benefit of our entire community.

## **CORE VALUE**

The Medicine Hat Pickleball Club highest priority is to cultivate a positive environment of respect, service, sportsmanship, fun, that is inclusive and accessible.

## **VISION**

Provide the foundation for continued growth and health benefits of Pickleball in Medicine Hat and surrounding areas.

### **Tasks and actions to support the MHPC Vision:**
